BYOD IPad Program

27.01.2022

Dear Parents/Caregivers

The apps listed below are the core apps that will be used throughout the iLearn@Craigslea program, over Years 3, 4, 5 and 6. To be part of this program it is important that your child has the required apps on their personal device. Teachers may request additional apps throughout the year which will be specific to that classroom.

Please see your 2022 classroom teacher if there are any concerns or issues downloading apps, or you can contact us with any questions.

Sincerely

Amanda Dossetto, Alison Jones and Tess Bryce
